Sewing Directions

1. Sew a yellow 2 1/2" strip to a yellow orange 2 1/2" strip. Cross cut into four 2 1/2" wide units.

2. Make half square triangles by pairing four red orange (B) and four navy (B) squares together. Draw a line diagonally from corner to corner. Sew 1/4" from both sides of the drawn line. (Ex. A). Cut on the drawn line and press toward the navy fabric. This should result in a total of eight half square triangles.

3. Using a navy (A) square, a red orange (A) square, and two of the half square triangles created in step #2, assemble a unit according to Ex. B. Repeat to create a total of four units.

4. Using units from steps #1 and #3, and a red orange (A), assemble block according to the *Block Assembly Diagram*.
